## **The Honorable Stephen Kinsey**

State Representative Stephen Kinsey, D-Phila., is a resident of northwest Philadelphia, was educated in the Philadelphia public school system, earned a Bachelor of Science degree from West Chester University and an MBA from Eastern University. A member of the Pennsylvania House of Representatives since 2013, Kinsey is a leader in the Democratic Caucus. He served as the chairman of the Pennsylvania Legislative Black Caucus for the 2019-20 legislative session, and currently serves as chairman of the Subcommittee on Health Equity of the PLBC, as well as chairman of the

newly established, first-of-its-kind Bipartisan Caucus. He serves on several other subcommittees dedicated to fair access to public health and services for historically disenfranchised groups. He has advocated tirelessly for affordable health care, equitable education and a state economy that offers ample opportunity and benefits to all Pennsylvania taxpayers. During the pandemic, Kinsey created the Northwest COVID-19 Coalition dedicated to empowering residents and saving lives. Kinsey believes that affordable health care is a basic human right and healthcare expenses should not force a person into debt. He is actively involved with local schools and community organizations throughout the northwest communities, promoting leadership training and mentoring initiatives for youth throughout the state.
